

Parish statement on domestic abuse

Netherexe Parishes

Policy for Responding to Domestic Abuse

All forms of domestic abuse are wrong and must stop. We are committed to promoting and supporting safer environments which:

We recognise that:

- ensure that all people feel welcomed, respected and safe from abuse;
- work to protect those experiencing domestic abuse;
- recognise equality amongst people and within relationships;
- refuse to condone any form of abuse;
- enable and encourage concerns to be raised and responded to appropriately and consistently in accordance with practice guidance.

Netherexe Parishes are committed to and adopted the Diocese of Exeter policy on Domestic Abuse.
